1. This limited written warranty applies solely to standard sheets produced by SABIC in Long Sault, Canada, with a minimum gauge of 6 mm to a maximum of 16 mm in the colour standard clear (112) used correctly as sloped, vertical or cold curved glazing, handled, stored, processed, installed and maintained according to SABIC's business recommendations contained in the Technical Manual. In all cases, the surface bearing the proprietary UV protection must be the only side exposed to direct sunlight and the effects of weather.
2. This limited written warranty does not apply to sheet that has been thermoformed, scratched, abraded or exposed to corrosive materials or chemicals.

4. For the purpose of this limited written warranty:
  - a. Penetration by hail: This product shall be warranted against hail breakage (defined as surface penetration that permits water to leak through the sheet) from hailstones up to 7/8" (22.2mm) travelling at speeds up to 100ft/sec (30m/sec). Resolution of claims will be determined through subsequent impact testing on an undamaged sample of the sheet in question using the ASTM 3029/Ford Modified Garner Test. A 7/8" travelling at 100ft/sec equates to 5 ft-lbs force on the above test. Any sheet, which sustains surface penetration at less than 5 ft/lbs when tested, shall entitle the purchaser thereof to replacement sheet in accordance with schedule under item 6. The warranty does not cover impact failures or breakage caused by other means, intentional or unintentional.
  - b. Yellowing will be determined by subjecting a cleaned sheet sample to the Yellowness Index Test ASTM D1925 (1977). Any claims for sheets displaying a change in Yellowness Index of ten (10) or less for colors: standard clear (112) compared with their original value, will not be accepted.
  - c. Loss of light transmission will be determined by subjecting a cleaned sheet

sample to the Light Transmission Test ASTM D1003 (1977). Any claims for sheets displaying a loss of light transmission of 6% or less for all colors listed on the above paragraph, compared to the original value, will not be accepted.

5. SABIC reserves the right to investigate independently the cause of any failure.
