

10 Year Limited Warranty for PVCLite Plus Foamed PVC Corrugated Sheets

AmeriLux International LLC warrants the initial purchaser that, for a period of 10 (ten) years from the date of original purchase, PVCLite Plus Foamed PVC Corrugated Sheets will not rot, mold, or mildew when kept clean through semi-annual washing to remove accumulated dirt.

The warranty applies only to sheets stored, installed, cleaned, and maintained in accordance with AmeriLux International LLC's recommendations and standard construction practices. It does not apply to any failure due to damage caused by hail, fire, unusual stress or any other conditions beyond the control of AmeriLux International LLC.

If PVCLite Plus Foamed PVC Corrugated Sheets do not perform as stated during the warranty period, AmeriLux International LLC shall supply replacement sheets or, at the option of AmeriLux International LLC, refund the retailer's purchase price thereof.

A pro rata depreciation charge of 5% per year will be applied to the original purchaser's purchase price of the panels.

AmeriLux International LLC shall have no liability whatsoever for the cost of original installation, removal of defective sheets, or the installation of replacement sheets and shall not be liable for any consequential or other loss, damage, misuses, improper storage, neglect or misapplication of the product.

The warranties herein are made to the original purchaser from any authorized retailer, are personal to him, and shall not inure to the benefit of subsequent purchasers, transferees, assignees, successors or receivers.

Conditions

This warranty applies only to PVCLitePlus Foamed PVC Corrugated Sheets which are treated, installed, cleaned and maintained according to AmeriLux International LLC's recommendations. It is important to note that PVCLite Plus Foamed PVC Corrugated Sheets are protected on one side with a special weathering Ultra-Violet (UV) radiation prevention treatment. This protected side must be installed on the exterior side of the installation for this warranty to be in effect.

This warranty specifically excludes PVCLite Plus Foamed PVC Corrugated Sheets that have been formed or molded by vacuum or heat methods.

AmeriLux International LLC or its accredited agent must be notified in writing of every claim within the warranty period and immediately after occurrence of the defect, enclosing the label, sales receipt, and this warranty. The claimant must certify that the conditions above have been fulfilled and must allow inspection at the installation site.

The warranties of AmeriLux International LLC as expressed herein are the exclusive warranties and there are no other warranties, expressed or implied, including the warranty of merchantability or fitness for a particular purpose.
