This limited written warranty is subject to the following conditions:

- 1) This limited written warranty applies solely to Lexan Thermoclick 50mm Sheet (LTC509X) glazing produced by SABIC Innovative Plastics in Europe with a gauge of 50mm in the colors standard Blue (BL6C024T), Green (GN7C018T), Purple (VT5C010T), Red (RD7C005T), Orange (OR6C012T), Yellow (YW9C007T), Metallic (GY6A744M), IR Green (GN8B038T), IR Blue (BL8B089T) and IR Grey (GY5B422T), used correctly as Thermoclick, handled, stored, processed, installed and maintained according to SABIC Innovative Plastics' recommendations contained in the Technical Manual. In all cases, the surface bearing the UV protection must be the only side exposed to direct sunlight and the effects of weather.
 - Loss of light transmission will be determined by subjecting a cleaned sheet sample to the Light Transmission Test ASTM D1003 (1977). Any claims for sheets displaying a loss of light transmission of 6% or less, compared to the original value, will not be accepted.
- 2) This limited written warranty does not apply to sheet that has been thermoformed, scratched, abraded or exposed to corrosive materials or chemicals.

On request of SABIC Innovative Plastics claimant must allow the material to be inspected on site and/or return the sheet to SABIC Innovative Plastics for testing.
- 4) For the purpose of this limited written warranty:
 - Loss of impact strength through weathering leading to hail breakage will be determined by subjecting a sample of the undamaged sheet to a standard hail simulation test developed by KRI-TNO, Delft, The Netherlands. Acceptance of a claim under this limited written warranty requires that this test (10 shots with artificial hailstones of 20 mm in diameter aimed at different points of the sheet surface with a speed of 21 m/s) causes at least 5 holes in the weathered surface of the sheet.
 - Color difference will be determined by subjecting a cleaned sheet sample to the Color Test CIELAB (1976). Any claims for sheets displaying a delta E of 15 or less, compared with their original value, will not be accepted.
- 5) SABIC Innovative Plastics reserves the right to investigate independently the cause of failure.
