AMERILUX NEWS

Home Improvement Projects to Tackle this Fall

Summer is fading and autumns on its way. Fall is the perfect time of year to tackle your home improvement to-do list. Multiwall polycarbonate sheets are lightweight, impact resistant, and ideal for a variety of DIY projects because they let in natural light while blocking UV rays.

Deck or Patio Cover:

Who says you can only enjoy your deck or patio during the summer months? Add a multiwall polycarbonate roof; you can grill and entertain no matter the weather!

Porch Enclosure:

Enclose your porch with multiwall sheets for privacy and protection against the weather and pests. An enjoyable multi-season space!

Entry Door Wind Barrier:

Virtually unbreakable, a polycarbonate wind break is a great way to shelter your front door entrance from blustery weather conditions.

Firewood Storage:

Keep your firewood dry! Durable and strong, multiwall polycarbonate panels can be used to build both the walls and roof of a woodshed.

AmeriLite MW Pro

Multiwall Polycarbonate Sheets

Stocked in clear, opal, diffused, and bronze, AmeriLite MW Pro multiwall polycarbonate sheets are extremely versatile, easily fabricated onsite, and can be relied upon to deliver low maintenance glazing that will last for years to come!

Cleaning Polycarbonate

Do's and Don'ts

Q: What is the best way to clean multiwall polycarbonate sheets?

A: Do's of Cleaning: Use lukewarm water to rinse sheet and soften dirt. Make up a solution of lukewarm water and ordinary household cleaner or a mild soap and use this to wash sheet. A sponge or soft cloth should then be used to gently remove dirt and grime.

Polycarbonate sheets are easy to handle, cut-to-size, and install with common wood-working tools, making these fall home improvement projects great for do-it-yourselfers.

Turn your project ideas into reality. Contact our friendly and knowledgeable team of customer service professionals for a product quote. Call 1-800-602-4441 today!

The cleaning process should then be repeated and the sheet rinsed and dried with a soft cloth.

Don'ts of Cleaning: Do not scrub multiwall polycarbonate sheet with brushes or sharp instruments. Avoid contact with the UV protected surface of multiwall polycarbonate by Butyl Cellosolve, Isopropanol or any other solvent. Avoid any abrasives or cleaners of a highly alkaline composition.

[Shed Builder Expo | September 23 - 24](#)

- Knoxville, TN
- Booth# 1828

[World Dairy Expo | Sept 29 - Oct 2](#)

- Madison, WI
- Booth# 435

For a full list of events we will be at, please visit our [trade show page](#). >

If you plan on attending either of these trade shows, make sure to stop by our booth and say hello!

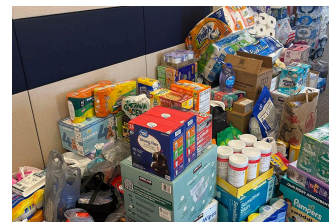

Company Highlights

Fox Valley Tornado Donation Drive

Last month AmeriLux partnered with [Belmark Inc.](#), collecting donation items for our friends and neighbors affected by a recent Wisconsin tornado. The EF-3 tornado occurred on Monday, July 27th and tore a 12-mile path through the Fox Valley—including Appleton, Fox Crossing, and Menasha.

The A-Team came together donating items of all kinds—bottled water, non-perishable food, cleaning supplies, paper products, personal hygiene items, diapers and baby supplies as well as gift cards for gas, groceries, and home improvement.

A heartfelt thank you to all those who donated. Your generosity brings hope and helps our communities rebuild stronger. Together, we can make a difference!
