AMERILUX NEWS

Happy Holidays from Green Bay, Wisconsin!

Hello Everyone,

Wishing you all the brightest and most joyful greetings during this wonderful holiday season!

As we celebrate Christmas—a time of joy, giving, and togetherness—we are reminded of the many blessings that make this season special. Reflecting on the incredible journey of our companies which began in 2004, we are filled with gratitude for the moments, experiences, and relationships that have truly enriched our lives.

I'm thrilled to share that the AmeriLux Family of Companies continues to grow and thrive. In 2025, each of our businesses soared to new heights, building on the solid foundation and momentum of years past. In addition, we added to our "family" with:

- The formation of the American Polycarbonate Company (APC), which manufactures multiwall and corrugated polycarbonate sheet products here in the USA!
- The acquisition of MacCourt Products, a manufacturer of window well covers, mortar tubs, and preformed ponds.

The strength of our team; the dedication of our employees, customers, and vendors; continues to amaze me. Together, we've built a culture where win-win collaboration is at the heart of everything we do. Our shared success is a testament to the incredible synergy we've cultivated, where the whole is greater than the sum of its parts. At AmeriLux, we are in the business of people, and it's our priority to foster deep, meaningful relationships with everyone we engage with.

- As we scale and evolve, we're more committed than ever to attracting top-tier talent, empowering our employees to reach their full potential, and maintaining our small company feel.
- Our partnerships with vendors and customers continue to strengthen as we build relationships rooted in mutual benefit and shared vision.
- We also take immense pride in giving back to our communities. Through the AmeriLux Family Fund, our team is actively engaged in supporting causes close to our hearts, and this spirit of giving continues to inspire us.

Leading this exceptional "A" Team fills me with immense pride, and I look to the future with boundless optimism and excitement.

Thank you all for your unwavering dedication and the vital role you play in our collective success. As we embrace the joy of the holiday season, I extend my warmest wishes for a Christmas filled with peace and love, and a New Year that brings health, happiness, and continued growth.

Here's to an even brighter future ahead!

Warm regards,

Kurt Voss

Company Highlights

Adopt-A-Family & Toys For Tots

Tis' the season for giving! AmeriLux partnered with Adopt-A-Family again this year, adopting 3 local families. This holiday assistance program organized by **The Salvation Army of Greater Green Bay** provides toys, clothes, and household items for families in need. AmeriLux also participated in the Green Bay area **Toys for Tots campaign**, collecting boxes of toys for children who might not otherwise receive any presents on Christmas morning.

A-Team's Great Holiday Bake-Off

Sugar, spice, and everything nice! Members of the A-Team showed off their baking skills with a friendly competition filled with plenty of holiday cheer, making a variety of cookies, bars, pies, cupcakes, cheesecake, and other sweet baked goods. Judges paid \$5 to sample the tasty treats and cast their vote. All proceeds benefited the AmeriLux Family Fund. Thank you to everyone that judged and baked in this year's competition!
