Modern Alternative to Drywall PVC Wall & Ceiling Panels

Looking for a great alternative to painted drywall, plywood, plasterboard, or fiberglass-reinforced plastic (FRP)?

EZ Liner® PVC interlocking liner panels are a cost-effective choice and can be used for both new construction and retrofit applications.

Stocked in ultra-white, black, gray, and red, the EZ Liner® panel is highly resistant to moisture, mold, corrosion, and most chemicals. It was designed for demanding interior applications.

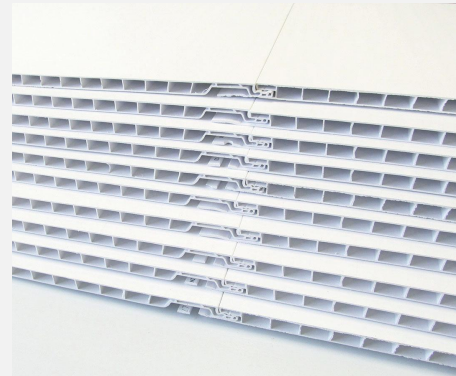

CAR & TRUCK WASHES: Highly moisture resistant, EZ Liner® is perfect for the rigorous requirements of wash bay walls and ceilings.

GARAGES & WORKSHOPS: A low-upkeep option to drywall, EZ Liner® can withstand impact from bumps by tools or gear.

AGRICULTURAL BUILDINGS: The EZ Liner® interlocking system makes both vertical and horizontal installation quick and easy.

The EZ Liner® panel features a Class A smoke and flame finish and is permitted in buildings

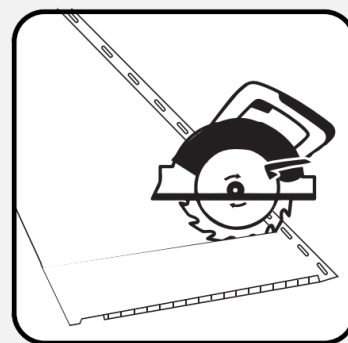

EZ Liner® PVC Panels All-Weather Interlocking System

EZ Liner® interlocking panels are ideal wherever you need a smooth finish that is easy-to-clean, low-maintenance, hygienic and/or abuse resistant. Perfect for wall or ceiling applications!

FEATURES & BENEFITS >

Quick & Easy Installation

Q: Do I need special tools to install EZ Liner® PVC panels?

A: PVC liner panels require no special tools or training to install. Panels may be cut using a finetooth blade (12 to 16 teeth per inch) with the blade installed in the reverse

that require either combustible or non-combustible construction.

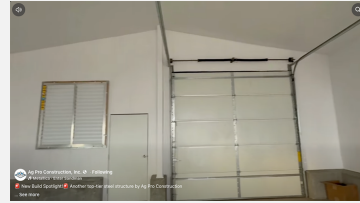

direction. Fastening the panels requires a standard drill/screw gun.

Company Highlights

Habitat for Humanity - Women's Build

Earlier this month, the AmeriLux Women's Group had the opportunity to volunteer at one of the **[Greater Green Bay Habitat for Humanity](#)** build sites. These hard-working ladies spent the day siding, painting, framing, and trimming a house that will soon change the life of a local family.

It was a great reminder that even a few hours of volunteer service can make a lasting impact. Giving back to the community is something we value, and we're proud to support Habitat for Humanity's mission of creating decent, safe, and affordable places to call home. Thank you to everyone who rolled up their sleeves to lend a hand!
