Lexan* Thermoclick* Sheet Brings Houston Stadium to Life

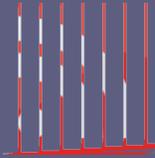

New to the U.S. Architectural market, Lexan* 50mm Thermoclick* sheet is a lightweight, impact-resistant, energy-saving, 9-wall sheet with a profiled V-joint connection. This inter-connecting, tongue-and-groove system provides easy installation and reduces the need for vertical profiles, thereby lowering costs and enhancing aesthetics.

Stephanie Bitzan: Serving Customers...Since Day One

If you've done business with AmeriLux International, chances are you've had contact with customer relations guru, Stephanie Bitzan. Since AmeriLux opened its doors in August of 2003, Stephanie has been the friendly voice over the phone helping our customers by answering questions and providing information. Over the years, Stephanie has become our resident expert in product application and installation, as well as a logistics specialist. From quoting material costs to entering orders and facilitating distribution, there isn't a job at AmeriLux that Stephanie hasn't done or helped to shape.

Fast-forwarding to present day, Stephanie serves as a leader in our Customer Relations Department. With the company having grown and matured, Stephanie is now able to concentrate more of her energy on providing a superior level of service and support to our customers. With a passion for her work and the support of the A-Team, Stephanie looks forward to elevating AmeriLux International to new heights!

One of AmeriLux International's core competencies is inventory management. As we enter the busy building and construction season, we know how important it is for our partners to have access to the products they need when they need them. Our ability to keep enough material on hand to meet customer demands, while still keeping costs down, is one of the many ways that AmeriLux brings value to the organizations that we do business with.

From multiwall polycarbonate sheet to PVC panels, fiberglass panels to corrugated polycarbonate sheet, AmeriLux inventories over three million square feet of quality product for our customers. For more information on this diverse range of products, please visit us online at ameriluxinternational.com.

As business continues to ramp up, we look forward to working with you and to providing you with the products you require with the shortest lead times in the industry.

Proudly serving you,

corrugated polycarbonate | multiwall polycarbonate | PVC sheet & liner panels
