

AmeriLux Agrilite™ Corrugated PVC Liner Panels

10-YEAR LIMITED WARRANTY

Agrilite™ Corrugated PVC Liner Panels are warranted by AmeriLux International, LLC. The panels covered by this warranty are manufactured using polyvinyl chloride (PVC). This limited warranty claims panels will be free from manufacturing defects for a period of ten (10) years beginning from the original date of purchase from AmeriLux International, LLC. This warranty is non-transferable.

The panels are warranted for ten (10) years to:

- Maintain a good surface condition.
- Not rot, corrode, develop structural cracks, or require painting/refinishing (normal pigmentation change expected) when kept reasonably clean through semi-annual washing to remove accumulated dirt.

This warranty is for ten (10) years and upon verification of failure, provides for a reimbursement to the original purchaser for the cost of the panels. This warranty does not cover the loss of use of any structure, loss of time, or cost of removing and disposing of defective panels. This warranty covers the replacement cost of panels only (shipping, fabrication, labor, and installation are not included).

This warranty applies only to panels stored, installed, and maintained in accordance with manufacturer's recommendations, and with recognized standards of construction. Surface wear, scratches, and color variation are not defects, and are not covered by this warranty. This warranty does not cover any loss or damage from misuse, abuse, vandalism, fire, storms including hail, wind, lightning, unusual stresses or load weights, or any other conditions beyond the control of AmeriLux International, LLC.

AmeriLux International, LLC will act to fulfill this warranty within 60 days after receiving a claim with all information necessary to determine its validity. To present a claim, the owner must send to the address listed below (at the owner's expense) a written claim describing the problem, photographs of the panels, samples of the panels, and a copy of the sales receipt showing the name, date, and purchase price.

If the panels are to be replaced, a pro rata depreciation charge (based on 10 years - each year is -10%) will be applied to the Distributor's original purchase price of the panels.

This limited warranty is the sole warranty provided by AmeriLux International, LLC with respect to AmeriLux Agrilite Corrugated PVC Liner Panels. AmeriLux International, LLC options as stated above are the sole, exclusive remedy available to the purchaser. AmeriLux International, LLC shall not be liable for any incidental or consequential damages, including any damage to persons or property whatsoever, nor for breach of any express or implied warranty, nor any implied warranty of merchantability or fitness for a particular purpose.
