

Job Title: Process Engineer

At AmeriLux our company values original ideas and innovation. We push ourselves every day to develop new ideas and foster an environment where both our team members win, and our customers win. We pride ourselves on developing a culture and business that is centered around our people and what makes them thrive.

In this role, you will be driving research and developing initiatives, fostering a culture of continuous improvement, and optimizing our existing processes. While experience is valuable, we are placing a strong emphasis on attitude, creativity, and a commitment to pushing the boundaries of what is possible.

Role Facts:

- **Research and Development:**
 - Spearhead research projects to identify and implement cutting-edge technologies and methodologies in process engineering.
 - Collaborate with cross-functional teams to explore new materials, technologies, and processes that can enhance our products and operations.
- **Continuous Improvement:**
 - Instill a mindset of continuous improvement across the organization, encouraging proactive problem-solving and innovative thinking.
 - Analyze existing processes to identify areas for enhancement and implement sustainable improvements.
- **Process Optimization:**
 - Utilize data-driven approaches to analyze and optimize existing processes, ensuring efficiency, quality, and cost-effectiveness.
 - Lead initiatives to streamline workflows, reduce waste, and increase overall operational effectiveness.
- **Innovative Thinking:**
 - Champion a culture of innovation by encouraging team members to think creatively and challenge the status quo.
 - Propose and implement novel ideas that contribute to the advancement of our processes and products.

What Really Excites Us:

- Bachelor's or Masters in Engineering or Industrial Design
- Associates Degree in Drafting or Engineering Technologies
- 3+ Years of Work in the Field
- Experience with Computer-Aided Designs, PLC'S, Fabrication Equipment

The A-Team:

Skateboarders, Brainiac's, Fishermen, Photographers, Yoga Lovers, Video Game Enthusiasts, Writing Wizards, and every other type of personality out there. Above all else, we are a family.

The Inside Scoop:

We understand that applying to a new role can be intimidating, we have been there. We are different. We are not looking to hire professional interviewers; we are looking to hire good people. So, take a breath and relax. We just want to get to know you.

Remember that you are in the interviewer chair with us. Most crucial, have fun and try not to take yourself too seriously.
