

# SABIC PROUDLY PRESENT: AWARD WINNING LEXAN™ CLINIWALL™ SHEET

**LEXAN™ CLINIWALL™ Sheet** achieved a triumphant recognition by winning the prestigious Nightingale Awards\* in the categories of Surfacing Materials & Finishes with the Gold Award, showcasing its excellence in both innovation and sustainability.

## ABOUT LEXAN CLINIWALL SHEET?

LEXAN CLINIWALL sheet is an excellent candidate for interior wall cladding solutions for hospitals, industrial and public facilities that requires a high level of sanitation.

In addition to great flammability and smoke performance, it offers excellent mechanical properties like impact strength (virtually unbreakable), stain, blood and urine resistant combined with ease of processing and installation.

A polycarbonate (PC), PVC free and 100% recyclable opaque sheet, including a specialized grade which contains a silver-ion additive which is a known additive to have the potential capability to significantly reduce the growth of microorganisms.

Standard color portfolio for healthcare environments where maintaining a hygienic and sanitary appearance is essential.

\* This annual awards program, is named for Florence Nightingale, a tireless advocate for the improvement of care and conditions in military and civilian hospitals in the 1800s.

## THE AWARD

Receiving the Nightingale Award is a prestigious acknowledgment of excellence and innovation in the field, reflecting a commitment to outstanding contributions in healthcare.

As our authorized distribution partner you are allowed to use and communicate the Nightingale awards related to our LEXAN™ CLINIWALL™ Sheet portfolio to your customers. Please feel free to contact us in you need additional information or support to your projects.
